

Science National Honor Society

Dear Students,

We are proud to present the Science National Honor Society to sophomores, juniors and seniors at Pembroke Pines Charter High School. This organization was established in 2013, and will be accepting new members for the upcoming school year 2017-2018. Our objective is to encourage students to advance in their studies by interacting with their community to enhance, not only their knowledge, but the knowledge of the people around them. The members of SNHS will be competing in various competitions including but not limited to SECME and Science Bowl. Students will also be involved in community service activities, Science Day, peer lectures and school-wide recycling. The Science National Honor Society is one of service, leadership, character and scholarship.

If you are interested in becoming a member as a sophomore, junior or senior for the 2017-2018 school year, please fill out the form below including a science teacher recommendation (checklist on the back), attach a copy of your virtual counselor page showing your current GPA and return it with the \$15.00 fee to Mrs. Hernandez-Davis in room S122. DUE: Monday 5/15/2017

In order to be applicable for SNHS, you must have at least a 3.0 unweighted GPA or higher and at least a B+ (or higher) in any Honors or AP science classes.

Name: _____ t-shirt size: _____

Weighted GPA: _____ Unweighted GPA: _____

All Science Classes Taken: _____ Grade _____
_____ Grade _____
_____ Grade _____
_____ Grade _____
_____ Grade _____
